Sir

Adverting to the promotions of certain Sub Assistant Surgeons to the Senior Grades, ordered in G.O.No.Camp 58-9, dated 28th October '23 I have the honor to give below, the cadre of Senior Sub Assistant Surgeons as it stood according to the said order:-on 7th August 1923.

Senior Grade on Rs.97(6)

1. Mr. A.S.Ramalinga Mudaliar.
2. " C.Ramajujam Pillay
3. " P. Srikantaiya O.O.D.
4. " C. Sheik Abdulla
5. " R. Tirumal Rao
6. " V.Govindarajalu Naidu
" Md. Ali Khaleel (ag.) "
" V. Krishna Rao "

Senior Grade on Rs.87 '12'.

1. Mr. Mahomed Ali Khaleel O.O.D.
2. " V. Krishna Rao
3. " Mahomed Hussain "
4. " Singaravelu Mudaliar
5. " D.Chambers
6. " P.S.Ramaswami Pillay O.O.D.
7. " P.R.Srinivasiengar
8. " Mahomed Musa
9. " A.L.Manuel
10 " C.Basappa Chetty "
11 " D. Narsingh
12. " L.F.Joseph
Mr.B.Narayana Rao (ag)
" T.Sivapragasa Mudr. "
" H.Krishnamurthi " O.O.D.
" F.A.Jayaseelarayapillay
" S.Ramaswami Iyer

It will be clear from the above that the vacancy in the Senior Grade on Rs.97, in which Mr.V.Krishna Rao was appointed to act, (vide item 19 in the list of promotions) does not cease as shown therein but continues, as Messrs. Srikantaiya and Khaleel still continue on other duty, viz., Chief Sanitary Inspectors. Similarly, the limitation put on the promotion of Mr.T.Sivapragasam (item 16 in the list) also appears to an oversight, in the face of the fact that the acting promotions of Messrs Jayaseelarayapillay and S.Ramaswami Iyer (items 20 and 21) continue after 7-8-23. Mr.Sivapragasam must also be taken as continuing to act in the Senior Grade on Rs.97 after 7-8-23.

The continuance of Mr.V.Govindarajalu Naidu in the class on Rs.97 ordered in item 26 of the order should necessarily have been followed by the continuance of Mr.Sivapragasam in the class on Rs.87 from and after 7th August 1923. This mistake may kindly be now set right by ordering ~~the promotion~~ the continuance of Messrs.V.Krishna Rao and T.Siva prakasam Mudaliar ~~in the~~ on Rs.97 and Rs.87, respectively, from 7th August 1923 without break.

I have the honor to be,

Sir,

To

The Secretary to the Government of His Highness
the Maharaja of Mysore, Local & Legislative Depts.,

Sir,

In continuation of my letter No G.C.72 of this date recommending the continuance of Messrs. V.Krishna Rao and T.Sivaprakasam on Rs.97 and Rs.87, respectively, from 7th August 1923, I have the honor to bring to notice the following vacancies in the Senior Grades of Sub Assistant Surgeons and to suggest filling up the vacancies as shown under.

The promotions of Senior Sub Assistant Surgeons Messrs.C.Ramanujam Pillay and C. Sheik Abdulla on Rs.97, to act as Assistant Surgeons in places of Messrs. A.S.Ramalinga Mudaliar and D.Framji on privilege leave as recommended in my letters No.C.63 dated 25th August (and modified by letter No.C.63-1, dated 27th idem) leave two temporary vacancies in the Senior Sub Assistant Surgeons' Grade on Rs.97. The grant of privilege leave for two months, from 25th August 1924, to Mr V. Krishnarao, preparatory to his retirement from service, creates another vacancy in the grade on Rs.97 with effect from that date. Mr.C.Basappa Chetty, Senior Sub Assistant Surgeon on Rs,87 having been declared medically unfit for further service (on account of paralysis) was retired with effect from 20th July 1924. and a vacancy on Rs.87 has occurred in the grade.

To fill up the three vacancies on Rs.97, I recommend the promotion of the three senior men on Rs.87 to Rs.97, as shown under:-

1. Mr.B.R.Srinivasiengar from 3-7-24 to 5-8-25, vice Mr. Ramanujam Pillay.
2. " ~~Fixtm.~~ " " Mr.Sheikabdulla
3. " Mahomed Musa " 5-8-24, " Mr.Krishnarao
4. " A.L.Manuel " 25-8-24 " Mr.Framji

4. Mr. T.Sadasiva Mudaliar on Rs.77 to Rs.87, from 3-7-24 to 25-7-24, Ag. vice No.1 promoted. from 26-7-24, permanent, vice Mr.Basappa chetty retired.
5. Mr.C.Mahomed Sibgatulla. to Rs.87 from 26-7-24, vice No.1 promoted.
6. " J.Thambusami Pillay, to Rs.87, from 6-8-24, vice No.2 promoted.
7. " C.Lakshmaiya to Rs.87, from 25-8-24, vice No.3.

In selecting men on Rs.77 for promotion to Rs.87, I beg to offer some remarks for making some deviation from the order in the list. Messrs. P.R.Lakshminarayana Iyer, D. Pearl and B.Palakrishna Rao, have already been superseded on account of their unfitness for promotion to the higher grade, and their juniors Messrs.H. Gangadhara Rao and two others were recently ordered to be promoted. Vide G.O.No. L.474-5-Med.7-23-60. dated 21st July 1924. These individuals must therefore wait till they prove their fitness for promotion by good work and the approbation of the public and the officers under whom they work. Similarly Mr. Gregory and Mr.R.Govindarajulu Naidu are unfit for the present as their record of service is bad. Mr. V.F.Rodrigues has died. Hence my recommendation in favor of the next seniors in the list, viz., Messrs.Sibgathulla, Thambuswami and Lakshmaiya

I have the honor to be,

Sir,

Your most obedient servant,

T.B. Mythreyanam

Senior Surgeon.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

SIR,

With reference to your letter No. L. 2407 Med. 3-24-10 dated 18th September 1924, calling for confidential reports on the work of the five Sub Assistant Surgeons mentioned therein, who are proposed to be superseded in filling up the vacancies in the Senior Grade of Sub Assistant Surgeons, I have the honor to enclose the confidential reports of regarding the work of the marginally noted four Sub Assistant Surgeons and to state that these reports which are the prescribed ones and are usually filled up by the parties themselves excepting columns 4, 5, 7 and 8 to be filled by the controlling officer, cannot be taken as representing a correct view of the merits or capacity of the subordinates concerned, as the administrative officers generally view this duty as a matter of routine, with no particular importance attached to it.

1. Mr. P. R. Lakshminarayan Iyer,
2. Mr. B. Balakrishna Rao,
3. Mr. M. Gregory,
4. Mr. P.GovindarajuluNaidu.

As I have already remarked in the case of Mr. P. R. Lakshmanarayana Iyer, he is a Sub Assistant Surgeon of the o l d School, incapable of improvement.

T h e

3 The report on Mr. Balakrishna Rao being from an officer comparatively new to the District, cannot be of much value. The report of inspection of the dispensary at Hiresave by the former District Medical Officer of Hassan shows that the Sub Assistant Surgeon failed to open the registers and to bring others up-to-date. During the period I officiated as Senior Surgeon last year, I had occasion to be dis-satisfied with the work of this Sub Assistant Surgeon while he was attached to the District Hospital, Tumkur, and to transfer him to the Hobli station of Hiresave.

4 The report on Sub Assistant Surgeon, Mr. Gregory is also in the usual strain with nothing bad about him. But the record of his service is far from good. I may perhaps invite reference to the correspondence ending with your letter No. L. 3610-Med.68-21-3, dated 20th December 1921, and state that in spite of the lenient view taken by Government, he is, in my experience, an officer of the type of Mr. David Pearl, of whom, more below. While in charge of the Magadi Dispensary he was found to have neglected to fill up even the out-patients' register for months together.

5 Mr. P. Govidnajalu is also not unfavorably reported upon by Mr. F. Fernandes, who was lately the Medical Officer of the Epidemic Diseases Hospital, Bangalore. But I have reason to believe that he was found wanting and was therefore transferred from the Epidemic Diseases Hospital, Bangalore, by Dr. Mylvaganam, as the Medical Officer wanted a younger and up-to-date and more energetic hand for the place of Resident Sub Assistant Surgeon of the institution.

6 On the whole I am convinced that the above Sub Assistant Surgeons who are proposed to be superseded are far below the average capacity and none of them has earned any public recognition of their service at any time. Further, when their supersession has once been accepted by Government, so recently as July 1924, (vide, Government Order No. L. 474 - 5 Med. 7-23-60, dated 21st July 1924) it stands to reason that they ought to earn their promotion by subsequent meritorious work and till then, their cases cannot be considered.

As regards Mr. David Pearl, no confidential report is available , as he was Chief Sanitary Inspector till the end of August 1923 and was then on six months' furlough. I may, however, invite attention to the correspondence which ended with Government Order No. L. 1738-42 San. 14-23-2, ordering his reversion from the post of Chief Sanitary Inspector, (Date of G.O. 31st August 1923). In spite of his having put in 28 years' service, he is only in the Rs.77/- Grade now, merely by virtue of his having completed twenty years' service. He was never able to pass any promotion examination at the first or second chance and thus many of his juniors got over him. Neither professionally nor by habit does he deserve a place in the Senior Grade.

Should, however, any of these show a tendency to turn a new leaf and do good work, they will certainly be given chances of promotion in due course. For the present, I agree with my predecessor in office as to the reasons which led him to recommend the supersession of the five Sub Assistant Surgeons under reference.

I may perhaps enclose for favour of perusal and kind return, the memorials submitted to me by some of the Sub Assistant Surgeons now recommended, complaining of their unmeritted supersession by their juniors and state that their cases deserve early and favourable consideration.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.
